Fabric Fantasia

Club Logo

Club Spotlight:

The Fabric Fantasia Club helps students show creativity through fabric crafts. It teaches simple designing, stitching, and using old materials in a fun way.

Student Voices :

1. Students learned how to mix colours and paint on Fabric
2. Now I can design my own patterns.
3. They learned how to make a design.
4. They learned that using jute bags reduce the plastic waste. It feels good to decorate something that is eco friendly .

Project Report and Skill Development
Fabric Painting
Mandeep Kaur - 9/06/2026

Meet the Team :

Ishkirat kaur 8b

Navreet kaur 10f

Arshpreet kaur8c

Harsamrath Singh 7c

Ekamjot Singh 8f

Project Goals:

The Fabric Fantasia Club helps students show creativity through fabric crafts. It teaches simple designing, stitching, and using old materials in a fun way.

Process/ Steps:

Wash and dry the fabric.
Place a cardboard inside the cloth to keep it flat.
Draw the design lightly with a pencil.
Paint the design using fabric colours.
Let it dry completely.
Iron the back side to set the paint.

Skills Learned :

- Creativity in making designs
- Neat painting and colour control
- Patience and careful working
- Basic fabric-handling skills
- Confidence in making handmade items

Challenges and Solutions :

•Lack of time, find out theplain jute bag. Plan ahead,use material wisely, encourage cooperation with each other.
